

# International Visiting Fellowships

are prestigious, competitive awards for high performing academics and early career researchers. This program provides support for outstanding researchers to undertake a period of research at UTEC that is of major importance in its field and of significant benefit to UTEC applied high impact research.

## More Info

The program provides a platform to:

Work with **UTEC** academics on a research project or publication.

- Champion **UTEC** as a center of applied research excellence at the international level.
- 
- 

- Enrich the research and training environment for undergraduate students at **UTEC**.
- 
- 

The **UTEC International Visiting Fellowship** program has

 **2** options

### SHORT-STAY UTEC

UP TO  30 days

Short-stay UTEC International Visiting Fellow, enables researchers to spend a period of up to 30 days at UTEC.

### EXTENDED-STAY UTEC

— between —  2 and 12 MONTHS

Extended-stay UTEC International Visiting Fellow, enables researchers to spend between six and ten months at UTEC.

01

## ELIGIBILITY

**UTEC International Visiting Fellowships** are open to researchers based outside Uruguay, who have a sustained track record of significant output, as demonstrated in peer-reviewed literature, and a strong commitment to quality research outputs. International Visiting Fellows applications must be supported by an academic at UTEC and during their visit it is expected that the Fellow(s) will contribute to the wider activity of the University, engaging with a wide cross-section of the research community. Please keep in mind that the International Visiting Fellowship is awarded on a competitive basis.

02

## BENEFITS

**UTEC International Visiting Fellowship includes:**

- Economy airfare from the Visiting Fellow's nominated home airport to Montevideo and return to the nominated home airport.
- A contribution to subsistence
- Accommodation will be provided for short-stay fellows

Award holders are given the title International Visiting Fellow for the period of their stay.

## How to Apply

Send e-mail with cover letter and full CV to:

[relaciones.internacionales@utec.edu.uy](mailto:relaciones.internacionales@utec.edu.uy)

The program of events should aim to incorporate some of the following:

- Presentation of your core research to a targeted audience.
- Research and/or training event targeted at undergraduate students and early career scholars.
- Exploration of further collaborative opportunities with groups/individuals.
- A public event.
- Interdisciplinary activity aimed at an audience beyond your immediate field of specialism, eg. lecture, performance, exhibition, seminar, workshop.

**APPLICATIONS ARE OPEN FOR 2019!**
